WELCOME TO FREDERICKSBURG, TX

In the heart of Texas Hill Country, Fredericksburg is a small city with a unique German flavor in its quaint bakeries, Hauptstrasse (Main Street) boutiques and generations-old peach orchards. Weekenders from nearby San Antonio and Austin have long appreciated the charm of the city's many B&Bs and "Sunday House" Inns. The surrounding Texas Hill Country is home to lush vineyards, making up one of the country's largest viticultural areas.
